We had a perfect day thanks to the hard work of all the wonderful staff at Kuti's Royal Pier”.

## A ROYAL EXQUISITE VENUE

Opened by Princess Victoria (just before she became Queen) in 1833, The Royal Pier was built to provide steamer services to the Isle of Wight and a place for visiting ships to dock. Celebrities such as Laurel and Hardy, Charlie Chaplin and Clark Gable all landed at the Royal Pier after crossing the Atlantic Ocean.

Set in an imposing two-story property, Kuti's Royal Pier has four dining areas with 100 covers on the ground floor; 60 on the first floor; 25 upstairs in the Chandelier Cocktail Bar; and additional seats on the outdoor rooftop terrace, with views across Southampton Water.

The Royal Pier is easily accessible from all directions, being a few minutes from the M27 and minutes from Southampton Airport Parkway.

"My husband and I held our wedding reception here and we couldn't have asked for a more perfect wedding venue! From the beginning, dealing with the wedding co-ordinator, to right to the end of the evening, all of the staff were very professional, happy and helpful. The building is stunning and did not disappoint putting the icing on our beautiful day. The features of the gorgeous building made our guests gasp as they walked in to the room and lots of our friends commented on how beautiful the room was".
